Quantum Circuits from First Principles

All rights reserved. Protected by applicable intellectual property laws.

All rights reserved. No part of this book may be reproduced or distributed without written permission from the authors or publisher, except for brief quotations in reviews or academic uses permitted by law.

This book was created by the TheoryTrace system developed by Mujirin. TheoryTrace Library publishes it as open learning material to help readers study Quantum Circuit with a clearer path.

We welcome criticism, corrections, and suggestions. If you find an error in a concept, reference, example, or explanation, please send feedback to [thomasmujirin@gmail.com](mailto:thomasmujirin@gmail.com).

This material is prepared for learning. Readers are encouraged to check original references, discuss with teachers or mentors, and test their understanding through exercises and Debunk me questions in TheoryTrace.
